

# COMP 370 Final Project: Politician in the Media

Team Names Here

November 29, 2024

## **1 Introduction**

Provide an overview of your project and summarize the key findings.

## **2 Data**

Describe the dataset, including the number of articles, sources, and any filtering or sampling decisions.

## **3 Methods**

Explain the methodology used for topic and sentiment analysis.

## **4 Results**

Present your findings, including topic characterizations and sentiment distributions.

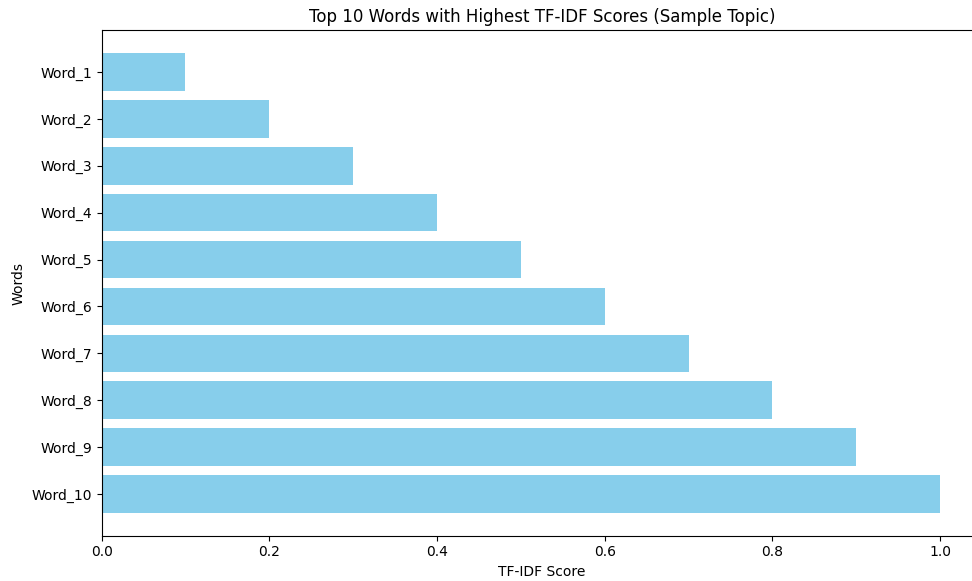

Figure 1: Top 10 words with the highest TF-IDF scores per topic.

## 5 Discussion

Interpret the results and discuss their implications.

## 6 Group Member Contributions

Detail the contributions of each group member.

## 7 References

Include references here in AAAI format.
